

Dear Spinoff Supporter:

Scripps Health and The University of Texas MD Anderson Cancer Center have reached a partnership agreement to create Scripps MD Anderson Cancer Center, a comprehensive and clinically integrated cancer care program in San Diego that will provide adult cancer patients greater access to the most advanced oncology care available throughout Southern California. This collaboration allows Scripps to join MD Anderson's mission to end cancer globally.

This year's event will take place on Saturday, May 6, 2017, at the Hyatt Regency La Jolla. Each year, over 150 local and international organizations have become auction donors for the Annual Spinoff event.

**Will you join the fight by donating a silent or live auction item this year?**

Guests at the event will include community leaders, executives, physicians and families residing predominately in La Jolla, Rancho Santa Fe and the North County coastal areas. As an auction donor, your support will be highly visible and recognized in printed materials, in the pre-event auction website and in the silent auction.

With your partnership, we project raising \$1 million to support the Scripps MD Anderson Cancer Center and hosting another successful event. Please send your completed contribution form with your auction item to Scripps Health Foundation by mail or fax at 858-678-6336. Your contribution is requested by **April 7, 2017**, to ensure recognition in our event program book and other event materials.

Should you need additional information, please contact Emma Gordon, special events coordinator, at 858-678-6349. Thank you for your consideration in supporting Scripps Cancer Center and we look forward to your partnership.

Sincerely,

A handwritten signature in black ink that reads "Lindsay McCreary". The signature is written in a cursive, flowing style.

Lindsay McCreary
