Spinoff

BENEFITING SCRIPPS
MD ANDERSON CANCER CENTER

Dear Spinoff Supporter:

In August Scripps Health announced our exciting new partnership – the Scripps MD Anderson Cancer Center – a collaboration dedicated to elevating cancer care, cancer prevention and early detection, and ultimately joining the global mission of MD Anderson – to make cancer history.

Our physicians and clinicians are forming workgroups to begin the redesign of care that will align our protocols and practices with the MD Anderson model. This collaboration allows Scripps to combine its expertise with MD Anderson's knowledge and capabilities for Southern California, covering eight counties from Santa Barbara to the U.S.-Mexico border.

Proceeds from 26th Annual Spinoff event will benefit the exciting new Scripps MD Anderson Cancer Center.

Join others by becoming a sponsor of the 26th Annual Spinoff on Saturday, May 6, 2017, at the Hyatt Regency La Jolla at Aventine.

As a sponsor, your support will be highly visible and recognized in our printed and digital materials. Enclosed is subsequent information outlining the benefits of making a meaningful gift to Scripps MD Anderson Cancer Center. If you have any questions, please contact Lindsay McCreary, special events manager, at 858-678-6364, or mccreary.lindsay@scrippshealth.org.

Don't miss the opportunity to be a part of the excitement! Make an investment to ensure that your friends, family and those battling cancer have everything they need to win their fight.

Sincerely,

Dan Vrakas

Event Chair
27th Annual Spinoff
