# BENEFICIARY

Mercy Outreach Surgical Team (M.O.S.T.) is a group of physicians, nurses and volunteers who donate their time and expertise to provide life-changing surgeries to children throughout Mexico. Without treatment, many children would live as outcasts.

M.O.S.T. is part of Scripps Mercy Hospital Foundation, a 501c(3) organization, and is supported entirely through philanthropy. Event proceeds will support M.O.S.T. medical missions to help children with cleft lips and palates, crossed eyes, extra fingers or toes, hernias, and burn scars.

## HONOREE: Harry O'Halloran, MD

Over the years, Dr. O'Halloran has volunteered on 33 M.O.S.T. mission trips and performed nearly 4,000 corrective surgeries for crossed eyes on children in need in Mexico. He became involved with M.O.S.T. through the Rady Children's Specialists of San Diego Division of Ophthalmology and currently serves on the M.O.S.T. Board of Directors. Dr. O'Halloran leads by example to make a difference and contribute to a better world and a brighter tomorrow.
