RECOGNITION DEADLINES

Invitation: Friday, February 8, 2019

Program: Friday, March 22, 2019

Event Beneficiary

Scripps MD Anderson Cancer Center is elevating cancer care, cancer prevention and early detection right here, right now in our region. Your participation and support helps the global mission of MD Anderson Cancer Center – Making Cancer History®

Proceeds from the 2019 Spinoff will go to The Fund for Scripps MD Anderson Cancer Center, which provides needed resources that elevate our care. The funding allows us to hire new experts and specialty care clinicians, renovate our clinical spaces to provide more efficient patient care, and provide ongoing training and professional development for our genetic counselors, chemotherapy nurses and nurse navigators, to keep them abreast of the rapidly changing field of cancer care. Your support helps us provide important resources and education for our patients and their caregivers.

Last year, Spinoff raised money that allowed us to recruit specialty care clinicians to cover our 12 cancer care specialties, fund architectural plans to construct and renovate patient care spaces, and purchase equipment, ensuring up-to-date and quality care for all patients entering Scripps MD Anderson Cancer Center.

Thank you for your support. Together we are Making Cancer History®

SCRIPPS HEALTH FOUNDATION

Through philanthropy we help to heal, enhance and save lives.
