Volume 3

La Jolla Academy of Medicine was founded in 1982 for the purpose of recognizing and honoring physicians who have practiced medicine in the La Jolla community for 20 years or longer. Since its inception, the Academy has inducted over 300 physicians.

The Academy's programs provide opportunities for La Jolla physicians to spend time with colleagues and former colleagues in a setting away from the rigors of daily practice. Members generally meet twice a year for brunch or dinner at the La Jolla Beach and Tennis Club. There are no annual dues, and the cost is limited to the charges for the event. Last year, members also spent a day at the races at Del Mar Thoroughbred Club in a more informal atmosphere.

La Jolla Academy of Medicine

Winter 2010-2011

Volume 3

Pianist and storyteller Bruno Leone captured the attention of La Jolla Academy of Medicine members at their annual black tie dinner on November 13. Held at the La Jolla Beach and Tennis Club, members enjoyed a cocktail reception, meal and entertainment. During dessert, the multitasking Bruno Leone presented a medley of music and legend by co-mingling his unique piano stylings with captivating stories and anecdotes about the lives and times of America's most revered composers.
