Volume 1, Issue 2

La Jolla Academy of Medicine was founded in 1982 for the purpose of recognizing and honoring physicians who have practiced medicine in the La Jolla community for 20 years or longer. Since its inception, the Academy has inducted over 300 physicians.

The Academy's programs provide opportunities for La Jolla physicians to enjoy a social evening with colleagues and former colleagues in a setting away from the rigors of daily practice.

Semi-annual events typically occur on Saturday evenings at the La Jolla Beach and Tennis Club. Physicians and their companions meet for cocktails, dinner and a post-dinner presentation. There are no annual dues, and the cost is limited to the charges for dinner and the evening out.
